SELANGOR
AVIATION SHOW 2022

SELANGOR
AVIATION SHOW 2022

THE ONE & ONLY BUSINESS AVIATION SHOW IN THE REGION

Selangor Aviation Show (SAS) 2022 is a platform designed to bridge industries and relevant communities for an exploration of business and growth possibilities. Bringing together the world's finest under one roof, we create an avenue for thought leadership and learning opportunities that will redefine the aviation industry as we know it.

The one and only of its kind, this second instalment of SAS 2022 is a three-day event that will feature local and international exhibitors showcasing the latest innovations in the general and business aviation sectors as well as the helicopter sub-sector. Be part of the discourse led by the industry leaders and experts focusing on unpacking challenges and future-proofing aviation to navigate the current times.

SAS 2022 is where the best converge, connect and collaborate in unlocking the potential of the aviation future.
