

FOR IMMEDIATE RELEASE

SELANGOR AVIATION SHOW 2024 (SAS 2024) OFFERED FREE SHUTTLE SERVICE AND PUBLIC PARKING FOR CONVENIENT VISITOR ACCESS

SHAH ALAM, 09 SEPTEMBER 2024 - The highly anticipated fourth edition of the Selangor Aviation Show (SAS 2024) is scheduled to take flight from 12 to 14 September 2024 at the SkyPark Regional Aviation Centre (RAC), Selangor. Operating daily from 10.00am to 6.00pm, the event has already garnered impressive interest with approximately 32,874 visitors.

SAS 2024 is open for public visitors from 1.00pm onwards on Friday, with full access available all day on Saturday starting from 10.00am. This year's show promises to be a spectacular showcase, featuring participation from over 35 countries and displaying 49 static aircraft of various types.

To ensure a smooth experience, visitors are advised to plan their travel to the venue ahead of time, as parking is not available on-site. Instead, parking is provided at Stadium Shah Alam located in front of City Karting (Shah Alam International Go Kart Circuit). Once parked, visitors should follow the signs to the designated Waiting Zone Area, where a dedicated shuttle bus service will transport visitors from Stadium Shah Alam to the SkyPark RAC guardhouse. Shuttle buses will run every 15 minutes starting at 8.00am, with the final shuttle bus making its last return trip to Stadium Shah Alam at 7.30pm.

Upon arrival at the event, visitors will need to proceed to Registration B to scan the QR code from the confirmation email, collect an entrance wristband and undergo a standard security check. Please note that all bags and personal belongings will be inspected and items such as weapons and hazardous materials are strictly prohibited. For family with kid aged 5 years old and below, the parent or legal guardian will require to sign the waiver form during online registration.

For added convenience, visitors may use e-hailing services from SAS2024's official e-hailing partner MyCar, which offers a special RM2 discount for trips to and from Stadium Shah Alam. The same registration and security procedures will apply upon arrival.

Visitors are encouraged to dress appropriately, though casual wear is acceptable. Closed-toe shoes are recommended for safety and remember to bring essentials such as water, holding fan, a cap, sunscreen and an ID or Passport as a precautionary measure.

All visitors must comply with safety regulations and are subject to inspection by Aviation Security Personnel upon entering the secure areas of the event.

For the latest updates and further details about SAS 2024, please visit our event website and follow us on social media: Facebook, Instagram, and LinkedIn (@selangoraviationshow), and Twitter (@SelAviationShow).
